

Healthy 4-Ingredient Chocolate Peanut Butter Eggs
(gluten free & vegan)

Ingredients:

2/3 c. natural drippy peanut butter (just peanuts & salt)
1 Tbsp. pure maple syrup
1-2 Tbsp. of coconut flour
3.5 oz. 72% dark chocolate bar, vegan if desired
Coarse sea salt for sprinkling on top, optional

Directions:

1. In a medium bowl, mix together peanut butter, maple syrup and 1 tablespoon of coconut flour. Add another tablespoon of coconut flour if the batter is runny. The peanut butter mixture should be sticky like a wet cookie dough.
2. Use a cookie scoop to drop peanut butter mixture by the tablespoonful onto a parchment lined small baking sheet. Slightly flatten the top of each with your fingertips. Place baking sheet in the freezer for 20 minutes.
